Mr. Bryant (or whichever minion is in charge of reading this application),

I have filled out this application, as is my duty as a citizen of this province. I was born, raised and educated in the province of Ontario. I am fluently bilingual, and am all too aware of the fact that I, most likely, fit all of your criteria for serving on a jury.

I want you to be FULLY AWARE however, that as a result of the illogical and draconian “Dangerous Dog” legislation passed by the Fiberal government in August of 2005 (previously referred to as Bill 132). I view the so-called “justice system” in this province as a complete and utter travesty!

Only in Ontario, can convicted pedophiles roam our streets, while responsible dog owners and their pets are treated like common criminals for ABSOLUTE NO GOOD REASON WHATSOEVER.

When thousands of MY tax dollars are spent housing, clothing & feeding crackheads and welfare mothers, I am treated as a pariah and a quasi-criminal. As a result, I MUST SIMPLY DRAW THE LINE!

Should I be called for jury duty, I fully intend to refuse, on moral and ideological grounds. I am aware of the possible repercussions of such an act of defiance, and will stand by my principles, regardless.

Please find enclosed a picture of my “grandfathered” Pit bull. She is 13 years old, and has never hurt a fly. I am now unable to walk her without a muzzle, while gang-bangers and dangerous criminals ran rampant in my neighbourhood.

Please feel free to contact me at (416) ***-**** should you have any questions.

Ashamed to live in Ontario,

Brigitte Nagy
